About SVIS Tirupati

At SVIS we aim to provide academic excellence coupled with knowledge beyond the texts, sculpting promising individuals of tomorrow, SVIS – Sree Vidyanikethan International School, Tirupati, believes in decorum, courtesy, self-discipline and honesty.

We offer unparalleled facilities encompassing everything from sports, recreational spaces to E-classes. We make sure the students get the best of our highly qualified and experienced teachers who dedicated themselves to delivering the CBSE, IGCSE, A/AS level syllabi in a simple yet eminent form. The students are enabled to get accustomed to the nuances of technology and thus to be independent learners.

Managed by the versatile actor, Dr. M. Mohan Babu, the institution was established in the year 1993. His passion for promoting education came from his father, Sri Narayana Swami Naidu, who was a teacher and a headmaster in Chittoor district of Andhra Pradesh. SVIS is also a part of the gigantic educational institutions tree – SVEI.

Message From Chairman

The temple of Higher Learning, Sree Vidyanikethan, is an intellectual space. In 1992, when we first laid our foundation, we were persistent on imparting quality education to one and all.

The immense trust that people have on us has been helping in expanding our stature and commitment towards fulfilling our dream of imparting quality education. Transforming young aspirers into exceptional and outstanding professionals, we have left no stone unturned in assisting our students in realizing their dreams. Our excellent library with thousands of volumes and rare reference books is a hub of great knowledge sharing. Alongside this, first class laboratories and research facilities have been built for various departments of science, technology and engineering.

“Strong mind in a strong adage” is a proverb we truly believe in. We therefore give equal importance to sports and games and encourage participation. Our students have shown exemplary performance bringing laurels to our institution and we take immense pride in them. Now, we welcome you also into the SVIS family. All the very best!

Dr. M. Mohan Babu
