

SREE VIDYANIKETHAN INTERNATIONAL SCHOOL

Sree Sainath Nagar, Near Tirupati – 517 102.A.P.

ANNUAL REPORT (2025-26)

Education is the foundation of a progressive nation. With the vision of nurturing young minds with knowledge, values, and confidence, Sree Vidyanikethan International School stands as a centre of excellence in education.

Established in 1992 by the visionary philanthropist, renowned educationist, and eminent actor Mohan Babu, the institution was founded with the noble mission of providing quality education that blends academic excellence with strong moral values. Inspired by his vision, the school continues to create a dynamic learning environment that encourages curiosity, creativity, and critical thinking.

The school achieved a proud milestone by securing the No. 1 Rank among Co-ed Boarding Schools in Andhra Pradesh and No. 11 Rank in India in the EducationWorld India School Rankings 2025-26, reaffirming its commitment to educational excellence.

Academic Excellence

Academic excellence remains the cornerstone of Sree Vidyanikethan International School. Students have performed outstandingly in the CBSE Board Examinations.

- Class X Board Results: Students achieved excellent results, with several securing distinctions and the school topper, Patten Sai Preethi, scoring 96%.
- Class XII Board Results: Students performed exceptionally well across all streams, with several students securing high percentages. The school topper, Mohammed Haneef, scoring 96%, brought laurels to the institution with his outstanding performance.

The consistent efforts of our dedicated teachers, combined with innovative teaching methodologies and digital learning platforms, have significantly contributed to these achievements.

Innovative Learning

SVIS promotes child-centric learning through the Chrysalis Curriculum for Classes I-V and the ThinkRoom Program, focusing on cognitive, emotional, and social development. Foundation classes for Grades VI-X strengthen core concepts, while the Integrated Programme for Grades XI-XII prepares students for competitive exams such as IIT-JEE, NEET, and EAMCET.

Experiential learning is enhanced through smart classrooms, digital resources, and the Atal Tinkering Lab, where students explore robotics, electronics, and 3D printing, promoting innovation and STEAM education.

Reading and Value-Based Initiatives

Unique initiatives such as "DEAR – Drop Everything and Read" and "Grab a Book, Gorge a Cake" encourage strong reading habits. Weekly yoga sessions and themed Special Assemblies promote discipline, moral values, and holistic growth.

Clubs and Co-Curricular Activities

Thirteen hobby clubs provide students with opportunities to explore their interests beyond academics, while various competitions such as Debate, Best out of Waste, Quiz, Elocution, Painting, Storytelling, Soliloquy, and TEDtalks help build creativity, confidence, and communication skills.

Unique Learning Spaces

The school features distinctive learning environments such as the Shakespeare Garden, inspired by the works of William Shakespeare, and the Herbal Garden, where students learn about medicinal plants and environmental responsibility.

Sports and Physical Development

SVIS encourages active participation in sports, including cricket, basketball, football, athletics, badminton, and Kho Kho, fostering teamwork, discipline, and sportsmanship.

Achievements and Recognition

Our students actively participated in numerous Interschool, Zonal, State, National, and International competitions, bringing laurels to the institution. These accomplishments reflect the school's commitment to nurturing confident, capable, and responsible global citizens.

Milestone Achievement: SVIS National Victory at Anveshana 2026

Sree Vidyanikethan International School achieved a remarkable milestone at the Anveshana Science and Engineering Fair 2026 through its Research-Led Learning initiative in collaboration with Mohan Babu University (MBU).

At the Regional Level (Vijayawada), Shireesh Kumar of class 9 and Harsha Sai of class 8 won 3rd Prize (₹20,000) for their project "CP-Alert: Prevention of Sandalwood Deforestation," while Nimish of class 8 and Eshanth Reddy of class 9 received an Appreciation Award (₹8,000) for "Virtual Historian: 3D Scene Reconstruction."

Advancing to the National Level (Bangalore), Shireesh Kumar of class 9 and Harsha Sai of class 8 emerged as National Champions, securing 1st Prize and ₹50,000 for their project "CP-Alert," mentored by MBU engineering students Phanindra Reddy and Chakresh.

This achievement highlights SVIS's commitment to innovation, research, and collaborative learning.

INSPIRE-MANAK Award Achievement

Continuing our legacy of innovation and research, B.C. Abhiram Reddy of class 12 MPC brought laurels to Sree Vidyanikethan International School by being recognised under the DST-NIF INSPIRE-MANAK Awards.

His project, "VisionTalk Glasses: Voice to Vision," an assistive technology designed to support the visually impaired, was sanctioned with a ₹10,000 cash award and selected for the Next Level Exhibition.

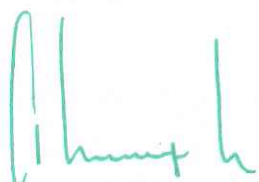

This achievement reflects the spirit of creativity, social responsibility, and scientific excellence nurtured at SVIS.

SOF OLYMPIAD

Students of Sree Vidyanikethan School achieved outstanding success in various national and international Olympiads like IGKO, IEO, NSO, IMO, ICSO, ISSO, IHO, ICO, showcasing their academic excellence and competitive spirit. They secured an impressive 174 Gold Medals, with 24 students qualifying for the Second Level. A total of 19 students achieved Zonal Ranks below 20, while 97 students secured ranks below 100. Additionally, 4 students attained Regional and International ranks, 3 students received the Gold Medal of Distinction, and 15 students were honoured with the Zonal Excellence Award. One student also secured a Zonal Silver Medal and another a Zonal Bronze Medal, reflecting the remarkable scholastic achievements of our students.

Sree Vidyanikethan International School remains steadfast in its commitment to providing quality education to every child, firmly believing that every child's future truly matters. The initiatives and progressive transformations undertaken over the years have laid a strong foundation for even greater accomplishments in the years to come.

Every student who graduates from the portals of SVIS carries forward the values, knowledge, and experiences nurtured within the institution. As they pursue their aspirations and excel in diverse fields, they continue to uphold the legacy of the school, inspiring and paving the way for the generations that follow.
